

PROPOSED DESIGN

NOTE: The Illinois MAIN STREET Program, through the Illinois Historic Preservation Agency, has provided this free design assistance to qualified property/business owners in the officially designated MAIN STREET project areas. The rendering on this sheet is a conceptual view of the facade renovation based on information supplied to the staff architects. Should obscured architectural details or problems be revealed during the work, the local project manager and/or the staff architects should be consulted.

EXAMPLE OF INCISED, GILDED, GOLD LEAF LETTERING

PROPOSED SIGN

Masonry piers with quoins, capped with cast stone. Caps are sloped to run off water. Piers sit on concrete footings. The sign is made of a black board with incised, gilded, gold leaf lettering. Font used is Palatino Linotype. Sign brackets set into masonry and painted color of the sign. Sign is lit by fixtures set into the ground in front of it. If there is not enough room for ground fixtures, globe fixtures can be placed on top of the piers.
